Dear Parent/Guardian,

Great Lakes Academy strives for new ways to effectively communicate with you. We are now offering a new School Announcement Communication System in which you can receive voice phone, text, and/or email messages from the school. All 3 options are available to you.

We will use this announcement system in a variety of ways such as: snow days/building closing, school performance updates, parent/teacher conferences, reminders and much more.

(You may choose more than one)
