Dear GLA Families,

We have been working around the clock to register, enroll, and schedule students to ensure they have the correct placement and are ready to go on Monday, August 31st.

Because this process has been especially complicated this year, our timelines for getting Canvas up and running have been delayed. Until then, student will log into Zoom, NOT CANVAS.

**Orientation and daily check-ins for students will be the same as previously communicated.** However, students will communicate with their homeroom teachers using Zoom for the scheduled sessions below.

**Requirements for Tuesday, September 1<sup>st</sup>. thru Friday, September 4<sup>th</sup>.** Students are required to log onto Canvas with their homeroom teacher each day from 10:00am – 11:00am.
