## LUNCH SCHEDULE

K-2nd - 11:00-11:30  
3rd-5th - 11:45-12:15  
6th-8th - 12:30-1:00

## SCHOOL MEALS

Each morning students will be provided with breakfast and take it to their classrooms. Good nutrition helps students show up at school prepared to learn. There are times when the school breakfast or lunch does not appeal to students. Therefore they will not eat what is being served. Please discuss lunch options with your student. If your student decides to bring a sack lunch please be sure that it does not require refrigeration or needs to be heated.

Effective immediately, students are not allowed to bring hot chips of any kind to school for lunch or snack.

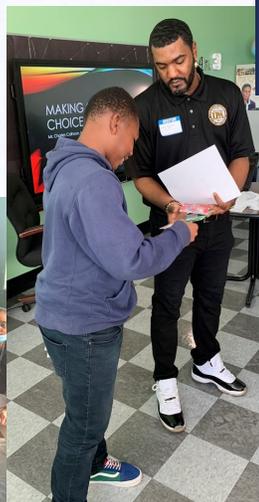

Ex: Hot Cheetoes, Hot Takis, Hot chips, Hot popcorn, etc

## Early Dismissal Procedures

Parents wanting to sign out their student early should see Mr. Johnnie at Door D, back by the playground. Let Mr. Johnnie know who you're there to pick up and he will radio up to the office to send the student down to Door D.

# Specials

## STEM

**Ms. Leroy**

STEM/Science: Thanks to our friends at GM we were able to get a curriculum that is geared toward engineering for the first quarter. K-3 is working on Force and Momentum, 4-6 is learning Forward Pushing Force and Energy, and 7-8 is taking on the concept of Design while focusing on finding the solution to a design flaw.

## MUSIC THEATRE/DRAMA

**Mr. Bashaw**

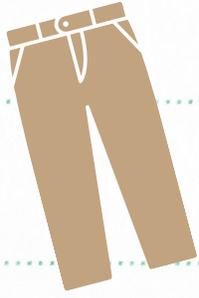

Mr. Bashaw's musical theater class has explored the basic fundamentals of music paired with a variety of artistic interests relating to the children. Through games, interactive lessons, and playing instruments in class, students have obtained the knowledge of rhythmic value, notation, dance routines, storytelling skills and more. Whether they are "singing in the rain" or being split into teams to play Jeopardy, the participation of each student in class fills Mr. B's room and heart with joy!

## ART

**Mr. Powell**

Our goal in the GLA Art Room is to have fun and explore the fundamentals of art in exciting ways. The Art Room is stocked and ready for 2023 with supplies for our students to thrive. We are using watercolors, tempera paint, colored pencils, clay, Pastels, and more! Students have excelled in Line, Shape, and Color content as we continue to explore the elements of art and design. The school is proud of our student's efforts and focus in the art room, and our art showcase in the 3rd floor hallway is looking great. Upcoming subject matter includes Form, Space, Value, Texture, and Unity. If you have any questions, ideas, or concerns please contact Mr. Powell.
